

A COMPLETION NATION: SCALING WHAT WORKS. PURSUING NEW IDEAS. TOGETHER.

Please mark your calendar to join us in Phoenix on December 12-14! The 2019 Annual Convening will bring together hundreds of the most influential higher education leaders to share proven-effective solutions, research and insights around college completion and eliminating attainment gaps for underserved populations. Attendees will include representatives from Complete College America's 46 Alliance Members, including 41 states and two U.S. territories, consisting of state policy executives (SHEEOs), system heads, university presidents, faculty members, and advisors. These individuals are leading initiatives to scale student success models across their states. Your organization has an opportunity to be part of these major reforms by participating in the Annual Convening and forging relationships with attendees!

As a sponsor you will be highlighted in various ways during the convening. We have made numerous adjustments to our sponsorship and exhibitor packages to provide more exposure for your organization before the Annual Convening, and increased access to our attendees during the event, including a sponsorship package with a session-presentation opportunity. A few to highlight are:

- A complimentary registration to the Annual Convening
- Listed as Sponsor on Convening App
- Scrolling Banner on Convening App
- Logo prominently displayed during live stream sessions
- Additional benefits based on sponsorship level

The Complete College America 2019 Annual Convening will be laser-focused on sharing results and refining commitments to strategies that improve college completion rates and eliminate achievement gaps in higher education. Don't miss this opportunity for your organization to be part of the solutions. We hope you will join us for this important event.

Best,

Monika Mala, Ph.D.
Director of Alliance
MMala@completercollege.org
